

# How to Redeem Your Online Class at ACE Institute Online

Redeeming the coupon code for the online class included with your product is done in just a few simple steps. Once you've redeemed the course using this coupon code, you do not need to save that code. The course will be linked to the email address listed when you redeem the code through our website.

**Step 1:** In your web browser, visit <https://ACEInstituteOnline.com/cart>.

**Step 2.** Type your coupon code into the box labeled "**Coupon code**". Be sure to include the dashes in the code, otherwise the code will not work. Your code should begin with either "**mass**" or "**medi**".

**Step 3.** Press the button labeled "**Apply Coupon**". The page will refresh and you should now see an item in your cart with a price of "**Free!**".

**Step 4.** Click the button labeled "**Proceed to Checkout**".

**Step 5.** Input your information into the checkout page.

**Step 6.** Click the button labeled "**Place Order**".
